

**Sci-Fi RPG Game Questionnaire**  
**created by Roberto Micheri (@Sunglar)**

The purpose of this questionnaire is to better understand your likes and dislikes, what interests you and what does not, regarding our future (no pun intended!) sci-fi campaign. There are many tropes and ideas common to sci-fi stories we could explore. With that in mind I put together this questionnaire. Thanks for your interest in the campaign and for taking the time to answer this questionnaire.

**Instructions** – Read each question. After each question a number of options are presented. You’ll be evaluating each option individually in a five step scale, ranging from **Very Interested**, to **Somewhat Interested**, **Neutral**, **Not Very Interested** and **Not at All Interested**. For each option make a checkmark (✓) upon the assertion that best represents how you feel about that option.

Example:

*Question #X - What types of movie would you like to watch?* ← Question

<i>Types of Movies</i>	<b>Scale</b>				
	<i>Very Interested</i>	<i>Somewhat Interested</i>	<i>Neutral</i>	<i>Not Very Interested</i>	<i>Not at All Interested</i>
<i>Action</i> ←	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Drama</i> ←	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

← Options      Check only one box in the scale for each option.

Remember that once the results are in the campaign will take into account ALL your opinions. You have your own preferences but other players may have divergent opinions, the idea is to create a tapestry that takes into account what the group as a whole thinks the campaign should be. Your opinion is very important, thank you for your time and effort.
